## Path to Health

23 August 02

Mr. Cyril Forbes  
Chairman S2S  
Hollypark House  
Gilford Road  
Dublin 4

Dear Cyril

The S2S Committee is to be congratulated for developing such an innovative and simple idea. Dublin is a great old city, but unfortunately its age cannot cope with the ever-increasing traffic problem. The implementation of a continuous Walk-Cycleway from Sutton to Sandycove would substantially reduce this problem, and also provide citizens and visitors to Dublin with an excellent leisure and health facility.

The S2S initiative would complement and considerably enhance our plans for Slí na Sláinte in Dublin.

I wish you every success with S2S. It deserves widespread public and government support.

Yours sincerely

Paddy Murphy
